SUBJECT: Weekly Report: 10 Jan. - 17 Jan. 52

1. On 11 Jan. 15 persons were tested at Alcott - 11 of them for UTG/A and 4 for language training. The tests have been scored and this project completed.

2. It begins to appear that the Minority Report on the PER has had some effect. The Career Service Committee has asked members of the Working Group on Employee Relations to submit suggestions for revisions.

3. Since we have now accumulated almost 400 cases, we are re-working the CIA norms for various tests. In addition, we continue to do a certain amount of research on the validity study of the Guilford-Zimmerman which involved the basic trainees.

4. [REDACTED] have agreed to the idea of testing applicants before they are interviewed. This plan will go into effect on Monday, 21 January. [REDACTED] will do the testing.
